STONE CREEK, Ontario, Thursday May 8 – Marz Homes is pleased to announce a special event on May 9, 2008 to unveil the Hole in One Home prize home for the Canadian Cancer Society's Golf for a Cure tournament in July.

Located in Marz Homes' prestigious Waterview Village community in Stoney Creek, the prize home is now open and ready for visitors to explore what all the excitement is about.

Danny Gabriele, Vice President of Marz Homes, and Dave Weber, President of the Hamilton/Wentworth Unit of the Canadian Cancer Society, will officially unveil the prize home on Friday May 9th, 2008 at 11:30am with a special ribbon-cutting ceremony and a tour through the prize home.

"We really enjoy being a part of the Golf for a Cure tournament, and this year, we wanted to participate in a way that would utilize what we do best as a homebuilder in southwestern Ontario," says Mike Pompeani, President of Marz Homes. "We're so proud to showcase this home, especially because the promotion of the event goes toward such a good cause."

The Golf for a Cure tournament will take place at the Beverly Golf and Country Club in Copetown, Ontario on July 10, 2008. Marz Homes is sponsoring the event for the second consecutive year. Upon registration for the tournament, golfers have the opportunity to sign up for the Hole in One Home giveaway, and the name speaks for itself – if you get a hole in one, you win a brand new Marz Home!

"The Golf for a Cure tournament is a great way to raise awareness and gain support for cancer research and community programs for people living with cancer," says Dave Weber, President of the Hamilton/Wentworth Unit of the Canadian Cancer Society. "We're thrilled about the Hole in One Home giveaway as it is yet another way to bring attention to this great cause while at the same time adding a new and exciting element to further the success of this tournament."
